

VS Series

...a new **Vision** in great **Sound**

VS 344

3-Way Quadruple 4½"
Floorstanding Loudspeaker

Introducing a slim and elegant loudspeaker that delivers the same powerful room-filling audio as much larger speakers. Like all Boston VS Series loudspeakers, the VS 344's striking piano lacquer finish and high-gloss furniture-grade end panels cover a cabinet that literally dispels all notions of the familiar "rectangular box" loudspeaker.

Key Features

- Super Wide Bandwidth (SWB) Tweeter for minimal phase shift and distortion
- Organic Composite Cone Material (OCCM) for reduced resonance and improved accuracy
- High-frequency-molded MDF cabinet
- Bi-amp, Bi-wire capability
- MagnaGuard® video shielding
- Gold-plated 5-way binding posts
- Elegant lacquer piano finish cabinet
- High-gloss multi-layer furniture-grade end panel

About VS Series

Boston VS Series Loudspeakers—our best performing, best-looking products deliver a superior home theater or 2-channel audio-only experience. Innovative driver and cabinet designs yield exceptional sonic characteristics. Each VS Series model is voiced to blend with the others so they can be combined to deliver the best performance in any configuration.
